Two of KING's portfolios made Informa Investment Solution's PSN Top Guns list!

KING's Small-Cap Equity achieved a 2 Star ranking in the Small Cap Universe

KING's Mid-Cap Equity achieved 2 Star ranking in the Mid Cap Universe

These KING portfolios were one of the 10 best performers in at least one of 52 peer groups.

Criteria: The PSN universes were created using the information collected through the PSN investment manager questionnaire and use only gross-of-fee returns. Mutual fund and commingled fund products are not included in the universe. Products must have an R-Squared of 0.80 or greater relative to the style benchmark for a five-year period ending June 30, 2009. Moreover, products must have returns greater than the style benchmark for the three latest three-year rolling periods ending June 30, 2009. At this point, the top ten performers for the latest three-year period become the 4 STAR TOP GUNS. Products are then selected which have a standard deviation for the five-year period equal or less than the median standard deviation for the peer group. The top ten performers for the latest three-year period become the 5 STAR TOP GUNS. The top ten information ratios for the latest five-year period ending June 30, 2009, then become the 6 STAR TOP GUNS.

1 STAR CATEGORY: The peer groups were created using the information collected through the PSN investment manager questionnaire and uses only gross-of-fee returns. These top performers are strictly based on quarterly returns.
