Bull & Bear Masters: The peer groups were created using the information collected through the PSN investment manager questionnaire and uses only gross of fee returns. Products must have an R-Squared of 0.80 or greater relative to the style benchmark for the recent three-year period. Moreover, products must have an Upside Market Capture Ratio of 100 or more for the latest three-year period, and Downside Market Capture ratio of 100 for the latest three-year period. The top ten Ratios between Upside Market Capture Ratio and Downside Capture Ratio became the PSN Bull & Bear Masters products.
